

Fourmile Creek WMA 2018 Action Plan Questions

- 1- Throughout the watershed management plan protection key natural resources is outlined as a priority. This was also reflected in the recent WMA survey and is identified in member comprehensive plans. Would you be interested in participating in the creation of a natural resources overlay district? Do you foresee having the political support in your jurisdiction to implement?
- 2- What are the top 3 tasks that you would like the WMA to complete in 2018?
- 3- What are the top 3 tasks that your jurisdiction or conservation group would like to complete in 2018 as a member of the WMA?
- 4- In 2017 the WMA prioritized regional stormwater policy and ordinances, what are some key actions that need to be completed in 2018 that would move us towards that goal?
- 5- At the end of 2018, what is the main thing that you would like to have completed with the WMA?
